Reading for Pleasure!

At Glade Hill Primary and Nursery School, we love to read!

We read because we love to learn new things. We read because we like to escape and visit new worlds. We read because it gives us time to relax. We read because it gives our imagination wings!

We read for pleasure!

In this booklet you will find recommended books to read, finely matched to the year group you are in.

There are stories about adventure, mystery, animals, friendship, the environment, different worlds, space, dragons and much much more.

You will recognise family favourites but you will also find some brand new and fantastic books, to explore stories by new authors.

Do you have a baby brother or sister? Then check out our baby and toddler list for great books you can read to them!

How many of your year group book list can you read this year?

Enjoy!
