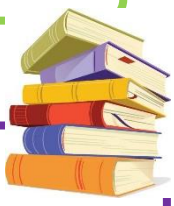
Spring 1 Newsletter- Sycamores

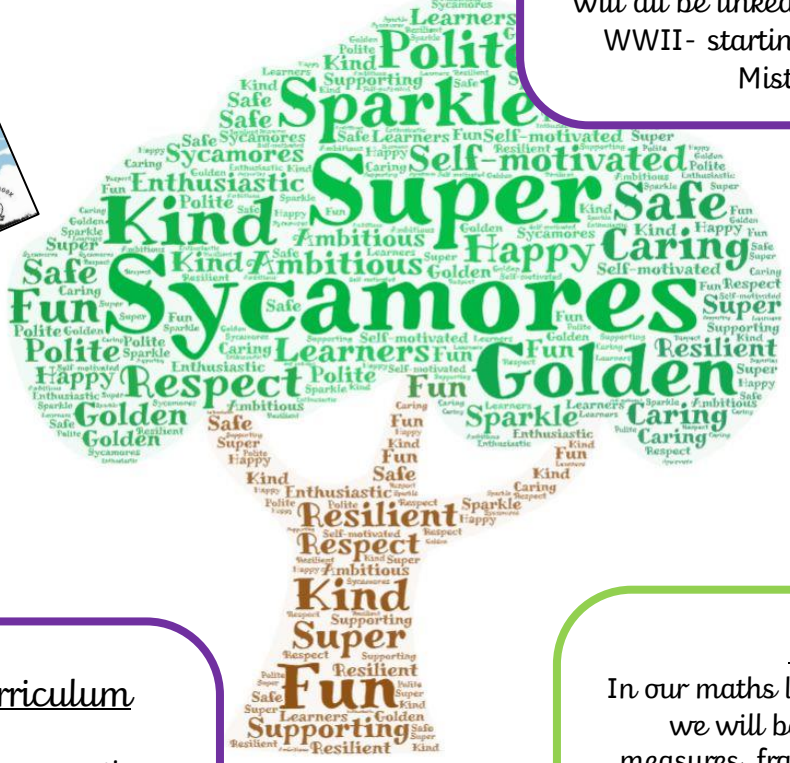
Writing

In our writing lessons, we will be using our history topic of WWII as a stimulus. We will be writing informal letters, short stories and speeches. We will be learning about the key features of these genres before planning and writing our own.



Reading

In our shared reading lessons, we will be developing our skills by reading and understanding texts across a range of genres – including fiction, non-fiction and poetry. These will all be linked to our history topic WWII- starting with Goodnight Mister Tom.



Maths

In our maths lessons this half-term, we will be learning about: measures, fractions, decimals and percentages.

Alongside this, we will have daily maths blast sessions where we will focus on previously taught skills and vocabulary.
