Following on from the parent and carer sessions held by both the PINS project last year and the first meeting before the Summer, I am delighted to let you know that there will continue to be Parent and Carer group meetings organised on a regular basis by two of our fantastic parents. The next session will be held on **Tuesday 13th October at 9am** in our old IT suite, tea, coffee and hopefully some biscuits will be provided. Please meet in the school office. This session will be attended by Mrs Rowe, our Senior Mental Health and Wellbeing Lead Teacher, who will be sharing some information on emotional support for children in our school including ELSA. Following this, sessions will be held on the 2nd Tuesday of every month.
